

AIDex Australia Newsletter Nov 2021.

Hi all, thank you for your commitment to AIDex over the last year. We appreciate all those who have held us and those we minister to both in prayer and by generously giving to our ministry, it is truly appreciated. We have received our charity registrations and approvals here & in Kenya. This now allows donors to claim a tax deduction for donations to AIDex Australia INC. for donations over \$2. We have now opened a new bank account with Westpac.

Name AIDex Australia Inc. BSB 033254 ACC 687763 (Please note this account for further donations). In Kenya, Ben & Benjamin have worked tirelessly to provide the uniforms (made in 2020) to our primary children. They were able to pay the secondary, technical and tertiary students fee's, supply face masks (made by our tailors), supply year 7 students with bibles, girls with hygiene kits & supply some medicines to those sick.

Mentoring days continued as Ben, Benjamin and older ones encourage, love and help the younger ones both physically & Spiritually. Our tailors are busy making 700 new uniforms currently.

Our widows were provided with land, seeds etc. and they have reported a good harvest which we thank the Lord for [report on next page]. We are also planning a medical camp in 2022.

We have a desire to help those wanting theological help as God leads us and as people request our support. While 2020 has not been a strain on our finances due to there being very little schooling and hence no fee's to be paid, this year we are needing to pay two lots of school fee's (as the students do catchup schooling). We usually take on about 50 new children a year however due to the increased poverty experienced during Covid, we were asked to take on **366 new very vulnerable students** this year by principals at schools. I'm not sure how we will go in the future supporting them all. We know God will provide. **The heart collage above, is made up of these new children** and we would like your financial help & prayers to ensure we can support them for the next 12 to 13 years of their schooling. We have an updated website for your perusal. We try and keep it up to date with the latest news as it comes to us. The link is <https://aidexaustralia.org.au/> Its been very special to hear of some of our tertiary students graduating and sending their thanks and appreciation which I share on the next page. Please let me know if you don't want to get these newsletters. We wish you all a very merry and blessed Christmas time. Regards & Gods blessings Russell & Dianne Marke & family

We widows of AGENG'A/ BWIRI/ NANGUBA location wish to extend a hand of appreciation to the AIDEX GROUP OF DONORS reaching to us through, Bro Ben. We thank you heartily for identifying us, mapping us and circumstantially aiding us, our orphaned children, other vulnerable children, and but most recently supporting us in food security through agricultural activities whereby you rented for us a shamba, bought fertilizer and paid for the tedious labour. The sowing and weeding process, conducted by us, went on smoothly. The last planting season (march to July 2021), we had good and satisfying harvest, shared among ourselves and even donated the surplus to few aged and ailing Christians within our community. May God's grace be upon the entire AIDEX fraternity. Thanks very much sir, your support is much appreciated and we pray that our good Lord will bless you and the whole AIDEX fraternity. Be blessed, Pst Damaris MWAKULOMBA, chairlady.
